

# NIKHIL BALASAHEB BHOT

## Software Test Engineer

✉ bhotnikhil25@gmail.com    ☎ 9834534830    📍 Pune, Pune, Maharashtra.

### SUMMARY

---

Result-oriented QA Automation Engineer with 4+ years of experience in designing and executing test automation frameworks using Playwright with JavaScript/TypeScript. Skilled in UI, API, functional, regression, cross-browser, and data-driven testing across healthcare, banking, and financial domains. Hands-on expertise in BDD (Cucumber), Page Object Model (POM), REST API testing, and Agile methodologies. Strong background in test planning, defect management (JIRA), and reporting (Allure, Playwright Trace Viewer) with a proven track record of improving product quality, test coverage, and release efficiency.

### Wrok Experience

---

- 4+ years of professional experience in Software Testing, with strong expertise in Playwright Automation with JavaScript and Manual Testing.
- Hands-on experience in Functional Testing, System Testing, Integration Testing, Ad-hoc Testing, Smoke/Sanity Testing, and Regression Testing.
- Skilled in designing and developing automation test scripts using Playwright with JavaScript/TypeScript.
- Proficient in implementing Page Object Model (POM) for scalable and maintainable test automation.
- Experienced in Playwright Test Runner, Assertions, Fixtures, Parallel Execution, API Testing, and Cross-Browser Testing.
- Familiar with Data-Driven and Hybrid Automation Frameworks, integrating test data using JSON, Excel, and environment configs.
- Good knowledge of Javascript, TypeScript, Core Java, OOPs concepts, Arrays, Strings.
- Strong experience with Build and CI/CD tools such as Maven, Jenkins, Github Actions, and repository management using Git.
- Hands-on experience in designing, developing, and executing automated test scripts using Playwright with JavaScript.
- Testing of Software applications.
- Extensively involved in Preparing and Reviewing Test Cases.
- Experience in Preparing Test Data as per requirements and Executing Test scenarios.
- Worked on Agile methodology and participated in Scrum meetings.
- Prepared weekly status Report.
- Prepared AGILE Sprint Test Plan.

---

- |                  |               |
|------------------|---------------|
| • Playwright     | • Cucumber    |
| • Git/Github     | • SQL         |
| • Javascript     | • JIRA        |
| • UI Testing     | • Postman     |
| • Manual Testing | • Agile/Scrum |
| • API Testing    |               |

## Employment Summary

---

**XOBIT TECHNOLOGIES**, QA Automation Enginner

06/2022 – Present  
BANGALORE

**L&T Technology Services**, QA Test Engineer

09/2021 – 04/2022  
Vadodara

## Projects

---

**MediTrack – Healthcare Appointment & Record System**, *Domain:Healthcare*

**Environment:** JavaScript, Playwright, Node.js, SQL, JIRA, Postman, GitHub

**Project Description:** MediTrack is a cloud-based **Healthcare Appointment & Electronic Medical Record (EMR) System** designed to streamline hospital operations and improve patient care. It enables hospitals, clinics, and diagnostic centers to manage **patient registrations, doctor appointments, lab test results, billing, and digital medical records** in a secure and HIPAA-compliant environment.

The system is used by doctors, administrators, and patients to ensure smooth scheduling, faster check-ins, and accurate access to health records anytime, anywhere.

**WorkForce360 – Human Resource Management System (HRMS)**, *Domain: HR / Employee Management*

**Environment:** JavaScript, Playwright, Node.js, SQL, JIRA, Postman, GitHub

**WorkForce360** is a comprehensive cloud-based Human Resource Management System that streamlines and automates HR operations within mid to large-scale organizations. The system centralizes employee data, automates payroll, manages attendance and leave requests, tracks recruitment workflows, and supports performance appraisals — helping HR teams to make data-driven decisions efficiently.

The platform integrates with various enterprise tools (such as email, payroll, and accounting systems) to provide a unified experience for both employees and HR administrators.

## EDUCATION

---

**Bachelor Of Engineering**, *JSPM Narhe Technical Campus, Narhe[Pune]*  
(Computer Science And Engineering)

05/2017 – 09/2020  
Pune, Maharashtra.

## LANGUAGE

---

- English
- Hindi
- Marathi

## Declaration

---

I do hereby declare that all the information given above is true to the best of my knowledge and belief.
